The Kiowa County Commissioners are soliciting volunteers to represent the county's older population on the SouthWest Kansas Area Agency On Aging's (SWKAAA) Sub-Region Council.

The purpose of the council is to assist SWKAAA in determining the needs of senior citizens in Kiowa County and south west Kansas, and to help them develop a coordinated and comprehensive plan to address those needs with the funding that has been provided.

The type of individual we are looking for can be a business person in the community, someone in the health profession, a home health care provider, caregiver, or a retired individual, who would have some knowledge of the needs of older people in the county.

The council meets four times per year (every three months) usually at a senior center within the area. Round trip mileage is also paid by SWKAAA for the participants to attend the meetings.

Each county in the Sub-Region appoints three people to the council. At this time the County needs 3 names to submit to SWKAAA. Individuals would serve for three years with the opportunity to be re-appointed for an additional term. This appointment will start October 1, 2017. Newly appointed members will also receive an orientation and training at their first meeting in November.
